## ON MISSION

Our annual Alliance Church Missions Conventions are our celebration of Jesus' invitation to be full participants in His work! For 133 years Alliance people have been privileged to make His love and mercy known to millions of people throughout the world who need access to the Gospel. The work is not yet finished. There are other unreached areas where Alliance work is just getting under way. Your Faith Promise to the Great Commission Fund shouts, "We will!" Please keep this brochure as a prayer resource and complete the enclosed Faith Promise response form. Thank you for your faithful support.

Rev Ken Graham, President.

Your Faith Promise supports our international workers overseas and local mission workers, mission partnerships, new church plants, training of new workers through AIM, directors and administrative support team at the National Office.

*"Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect."*  
1 Peter 3:15

## A SHARED PRIVILEGE

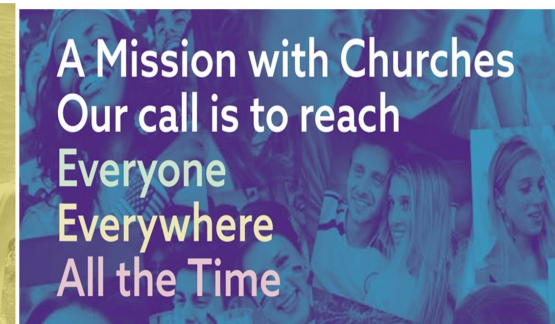

We share the privilege of showing Jesus' love, in word and deed, to those who have yet to know of His vast mercy and grace. Your Faith Promise to the Great Commission Fund will enable our Alliance workers to expand their ministries and establish long-term communities of faith in the world's most hopeless places.

The Alliance is a worldwide family of Christians mobilised to fulfil the Great Commission by living out the fullness of Jesus Christ in personal experience, preaching the Word and building His Church worldwide. Visit [www.cma.org.au](http://www.cma.org.au).

## MAKE A FAITH PROMISE

Your Faith Promise to the Great Commission Fund (GCF) fully or partially supports and equips Alliance workers as they live out Jesus' love and bring hope around the world. Please see the enclosed Faith Promise response form and make your faith promise through your local church during your local church missions convention.

## CAMBODIA — KIM CHAU

Kim is based in Phnom Penh, Cambodia, working with and supporting local Khmer and International workers in reaching out to the Vietnamese diasporas including church planting and community work via education.

## THAILAND — SUSANNA TSE

Susanna is working in and around Bangkok, Thailand, reaching Chinese, Thai and Muslim people through education and gospel ministry. We are pleased to be in partnership with the Hong Kong Alliance Mission to bring a message of God's love and a message of hope to these communities.

## MUSLIM WORLD — THE SHAYESTEHS

Daniel (and his wife Mary) minister internationally teaching philosophy, religion and apologetics in order to show the superiority of Jesus Christ. He also aims to raise awareness concerning the plan of Islam for non-Islamic societies. Daniel has a growing media ministry to the Muslim world. The current focus of Daniel's media strategy is translating the outreach project book, Understanding and Freedom into the main languages (around 12) spoken throughout the Islamic world.

## LITERATURE PREPARATION — THE COOKS

Steve and Lyn work to help people where only parts of the Bible have been translated into the 14 languages used by the eight million Muslim people in the islands of Mindanao and people beyond. Different language groups are working through the checking and testing of Scripture portions. Steve is preparing Old Testament books, stories and teaching materials for future translation and integration.

**And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.**

**Matthew 24:14**

## AFRICA — YAKIM & GRACE

Yakim and Grace are working in a Muslim country in Africa. The region declared itself independent of its parent country. Unlike the rest of the country, it has a stable government and a growing economy. 99.7% of people are Sunni Muslim and people see being Muslim as part of their identity. Yakim is employed by a local university as a lecturer and Grace meets with the local women as a housewife and homeschools their three children. Their priorities are living as witnesses in word and deed, intentionally praying and being there for their neighbours, encouraging co-workers and mobilising prayer in home churches."

## JAPAN — HAILEY FUNG

Hailey is working in Japan in a partnership with OMF. She works with the local Japanese church and is involved with creative outreach to less engaged groups in the community.

## ASIA — GARY & JAYNE

Gary and Jayne are currently in Australia due to the Pandemic. They live and work in Asia where Gary is working for a company while Jayne is homeschooling their children. They impact the lives of students, colleagues and locals in their region through work, social life, and the local churches. While direct evangelism is not permitted in their region they have been blessed with many (often surprising) opportunities to share the gospel.

## INDONESIA — THE LUTHYS

Chris and Amy Luthy serve the Lord at the Alliance Jaffray Theological Seminary, Makasa, Indonesia through Pioneers. Chris serves as a lecturer, as well as being the students' spiritual advisor/coordinator. They are also involved with a church plant and work with a mountain tribe near Palu. Commencing in late 2020, they will be supported in a partnership with C&MA Australia.

## INDONESIA — ANDREW LIGHTFOOT

In 2021 we will start a new partnership with Andrew Lightfoot with the C&MA Indonesia and Global Interaction. Andrew has a passion for outreach through sports/soccer academies /outreach and camps. This would be a good link up for some of our sport minded AY who could join in on a mission trip.

## CAMBODIA — THE BLANCHARDS

Josh & Jaclyn are working to bring freedom to oppressed and unreached people by stopping child-sex trafficking through Prevention (by changing hearts, education, employment and planting churches), Rescue (by assisting authorities and rescuing survivors), Restoration (by shelter, counsel, love to free them from abuse and bring healing) and Reintegration (by establishing relationships).

## YIWARRA PALYA MINISTRIES — THE STUBBS

Greg and Carol Stubbs visit WA from time to time to consult and encourage our EDAC ministry among indigenous youth in Northam. They also run an annual gospel-focused, indigenous youth camp in Tweed Heads, NSW. They had a Friends Camp in January for young people from differing places and cultures to come together, hear the gospel and experience God's love.

## NORTHAM — THE VALLANCES

Rev Andrew and Kerry minister and make a difference in the lives of indigenous people. Their focus is to preach the gospel, to live the gospel, and to provide a pathway from new birth to growing as a disciple among indigenous people. Major opportunities are through youth, local church, and local relief work plus ministry services to the surrounding indigenous community around Northam.
