Attendance

It's important to attend every session and retreat to make the most of this course. If you sign up please ensure you intend to attend both day sessions and both retreats.

The Retreats

Retreats are a wonderful way to escape from your everyday situation and spend some quality time being still before God. We strongly urge you to attend both retreats as part of this course.

The Teaching Team

This course is a mini version of the program Helen Betz runs with the interns and SF students. Hannah Hildebrandt will also be joining Helen in the teaching and delivery of The Way discipleship course.
