OR

2. Join our Discovery Internship Program AND enrol in some form of formal training which could be used in Ministry. E.g. Counselling, Social Work, Nursing etc This can be part time or fulltime.

Practical components for both options will include: Mentoring & supervision; being part of local church; spiritual retreats; a 2 week short term mission experience; evangelism; pastoral ministry; urban ministry; visiting churches of other denominations; visiting a funeral home, counselling centre & support group.

Journey Unpacked

The internship for both option 1 and option 2 will focus on providing support, experience and encouragement in 4 key areas:

Spiritual growth - Core

Study and learning - Course

Serving in the local church - Church

Shining hope – Community

This is aimed to bring a well rounded experience over the 18 months to learn and experience different kinds of ministry.

Aside from weekend retreats and being involved in ministry opportunities, the interns meet every Monday of normal school terms to learn, exchange ideas, do a Bible study, debrief the week and have lunch together. This is a vital component of growth, personal spiritual formation, community, learning and sharing. For this reason Monday attendance is a compulsory aspect of being an intern and essential to the overall program as it benefits staff and students alike.
